

Title of the paper

John D. Brown ^a, Rose Z. Nixon ^b

^a *Institution of John D. Brown*

^b *Institution of Rose Z. Nixon*

email presenting Author

Keywords: provide a maximum of 5 keywords avoiding general and plural terms and multiple concepts (avoid, for example, "and", "of").

This abstract template has been provided both to assist your submission and to ensure a uniform style throughout the booklet. Thank you for complying with the formatting provided here. You may download this template as many times as you require. To maintain the formatting of this document you can type over the text. To follow are more detailed instructions on the format. Please type the title of the abstract in sentence case. Abstracts must contain a title, author names, and their institutions. Enter the name of the presenting author first. Figures are permitted in the abstract.

The text style is as follows:

The *title* is Arial, 16pt, left aligned, 6pt spacing before and after, single spacing between each line; the *author* name is Arial, 11pt, left-aligned, 6pt spacing before and after, single spacing between each line, last name then first name in full; the *Institution* is Arial, 11pt, left-aligned, italic, 6pt spacing before and after, single spacing between each line; all *body text* is Arial, 11pt, justified, 24 spacing before and after each paragraph and 12pt spacing between each line; the references are Arial, 9pt, left-aligned, 0pt spacing before and after. References should be superscripted numbers (e.g. ¹) and follow a numerical order of appearance in the text. References should be formatted in the style given below. Please ensure your abstract is no more than one page, including figures and references.

Figures should have a caption and be readable, i.e. caption in Arial 8 point font and figure labels in Arial 6 or 9 point font. Figures may be in colour.

Figure should have a caption in Arial 8 point font.
